THE COUNTRY, SIVAS

A tradition set that embraces old cultural norms.

The country residence is designed and built with a traditional Anatolian community in mind. With only 30 homes, the goal was to create a close-knit community that lives harmoniously.

THE MEDINA, NAIROBI

An unprecedented masterpiece set to transform the Kariokor Area of Nairobi, THE MEDINA Towers offer 40,000 sq.m of well-thought-of in-house shops, a mosque, a multi-purpose hall, and 320 residential apartments all crafted with the vision to bring a calm and peaceful environment to its residents.

THE TWIN, SIVAS

With a modern garden layout, the project consists of 81 residences, most of which are designed as 4+1 flats. The project features large green areas and children's playgrounds. It was a pioneer project for the valley paving the way for others to develop there.

THE SOUTHWEST, NAIROBI

For THE SOUTHWEST, we aimed to build an environment where living in harmony was prioritized. Located in one of Nairobi's most puzzling/hip neighborhoods, THE SOUTHWEST brings comfort and community to what's usually a fast-paced, chaotic part of town.
