# HOTEL FURNITURE

# 01

We provide the highest quality refurbishment or fit-out work to define your scheme using our extensive knowledge of contemporary and classic designs and products. Whether your project is a refurbishment or new creation of a hotel, spa, restaurant, or café.

Specializing for over 20 years in this sector we have built up an impressive client base of Hotel, Hospitality, and Leisure based projects including, Ramada Hotels (part of Wyndham Hotel Group), Swissotel Hotel and Hilton Hotel.

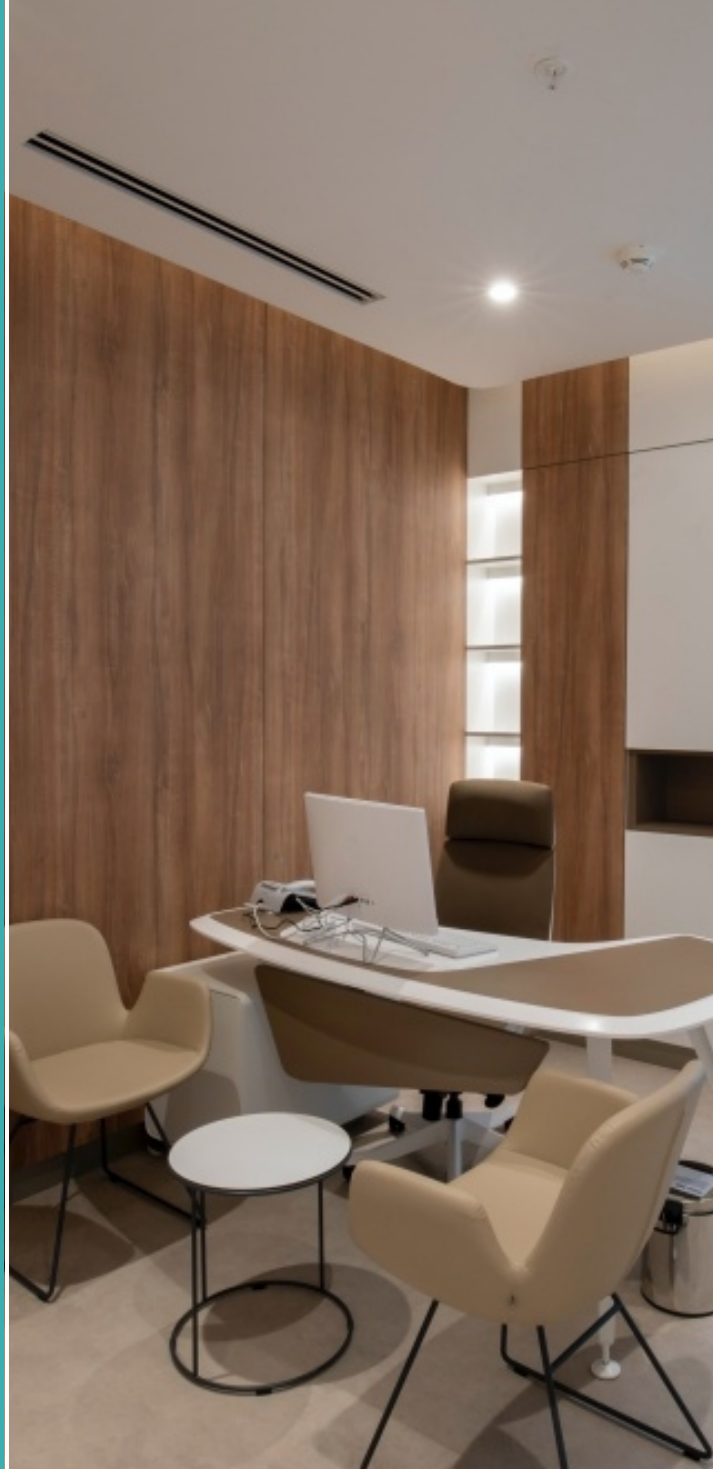

# HOSPITAL FURNITURE

When providing for specific functional needs within a medical care design or fit-out, experience and understanding of practices, parameters and aesthetics is critical to on-time delivery of optimal solutions.

With various specifications and requirements ranging from privacy, facility and comfort to the practical, multifunctional and interactive to be considered, experience and expertise are key to completing this phase of the design or refurbishment.

Our solutions include:

- situational furniture
- meeting spaces
- self-catering
- offices
- collaborative areas

## HOME FURNITURE

At TiffanyPlus we specialize in designing, engineering, and producing custom-made home furniture, exclusively for each and every client. So, whether you're hoping to realize a dream piece of furniture for yourself, looking for an interior design solution, or a customized gift for your family, we at TiffanyPlus can bring your idea to life. Because we have 35,000 m2 of production area in our furniture factory, we are able to deliver your project on time and on budget. Whether it is a sofa set, dining table, dresser with spacy drawers, or a walk-in closet, you can rest assured of a high quality product made with great attention to detail.

# 04

In the hours we spend at work, comfort and concentration are influenced by the furniture we choose.

Over the past 2 decades, we here at TiffanyPlus have worked with new and established designers with the ambition to create furniture that is inviting and functional and that also builds an emotional connection with its users.

We offer a range of chairs, desks, and workstations in many standard sizes and all with the option to adapt to your workspace.

# SCHOOL FURNITURE

The design and layout of a classroom goes a long way in establishing the tone and feel of the learning environment.

With over 20 years experience in the field, we design and create unique and desirable educational furniture at our factory in Sivas, Turkey.

We design, manufacture and fix furniture for all educational establishments including nurseries, primary schools, secondary schools, colleges, and universities.
